CHANGES IN CLUB MANAGEMENT AND OPERATIONS

Dear HKDTA member,

Our club life members and longstanding tennis centre managers and Pro Shop operators Mai and Marc Donnelly have advised the Committee that they need to reduce their involvement with HKDTA for personal reasons.

Your Committee is working with Mai and Marc to manage this withdrawal to minimise disruption to the services provided to our members. This process has already commenced, and Mai and Marc will progressively withdraw from club management, administrative and maintenance roles over the next couple of months.

We will soon put out to tender the various tasks that need to be carried out at Mills Park - maintenance and cleaning, in particular. Many of the administrative processes previously performed by Mai and Marc will be transferred to the HKDTA Office. If there are any members who are interested in becoming involved in these paid and voluntary roles, please contact me.

In the short term, this may have some impact on day to day operations, including reduced hours of opening of the Mills Park Pro Shop. However, please note that court bookings and payments can be made online through our website.

We would like to take this opportunity to thank Mai and Marc for the huge number of hours that they have both dedicated to the HKDTA, both in their role as contractors to the club and in the multiple volunteer tasks that they have undertaken.

We wish them all the best, and look forward to the day when they will be able to become involved again at HKDTA.

Regards,

Eddy Watson
HKDTA President
