Fast sets Wednesday Social Tennis 7:30-9:30PM @ Mills Park

We have made big changes to social tennis on Wednesday nights and received very positive feedback from players. Most importantly, people are telling their friends and most weeks we have over 16 players allowing for optimal balancing of four sets with minimal time spent off court.

Wednesday night "fast set" social is for perfect players who can play solid tennis, but also want to have fun in a non-competition environment.

You are welcome to arrive from 7pm for a warm up, with the first 30 minute "fast set" starting at 7.30 and the last set finishing at 9.30pm.

Only \$15 for members and \$20 for non-members and FREE on your first night! Includes new balls and snacks.

Come along and bring your friends to the new "fast sets" social at Mills Park Tennis Centre on Wednesdays from 7pm.

It's the best place to get your midweek tennis social hit!
